## *Appeal for Food Distribution for poor*

### **FAISALABAD-PAKISTAN**

As Easter approaches, many families in our community are struggling to make ends meet. For some, this holiday season is a time of joy, but for others, it can be a reminder of the poverty and hunger they face every day.

This Easter, we are calling on everyone in our community to come together and help those in need by donating food for those who are struggling to make ends meet. We are looking for donations of non-perishable food items such as rice, flour, pulses, noodles,, and other staples. Any donations of fresh produce or other perishable items would also be greatly appreciated.

Your donations will go directly to families in need and will help make this Easter a special day for those who are struggling. By giving a little bit, you can make a big difference in the lives of our neighbors.

Thank you for your generosity and for helping to make this Easter season a brighter one for those in need.

Sincerely,  
THE EASTER FOOD DISTRIBUTION TEAM
